

Boarding Packing List (Non Holiday)

Please make sure Fur-kid is current on Flea/ Tick Preventative. (no flea collars)

Quick Release Collar (the one you pinch and it releases)

All Medications with instructions and whatever is needed to give it to them (cheese Peanut butter ext)

Kibble food must be in air tight container or zip lock bags with name and amount of food to feed, no large open bags of dog food. We can feed any diet you wish to bring but make sure it is sealed and marked. We have a refrigerator and freezer available.

Sometimes Fur-kids decide they don't want to eat when they are away from home, if this might be your kid, bring us some wet food or we have canned Salmon and yogurt for purchase to help entice them to eat. We won't let them go without eating something!

Washable bedding if they are allowed to sleep with anything.

Dog treats if you would like them to have any while you are away.

No toys or bowls are needed
